A summary of all the components that go into the decision about a particular applicant.

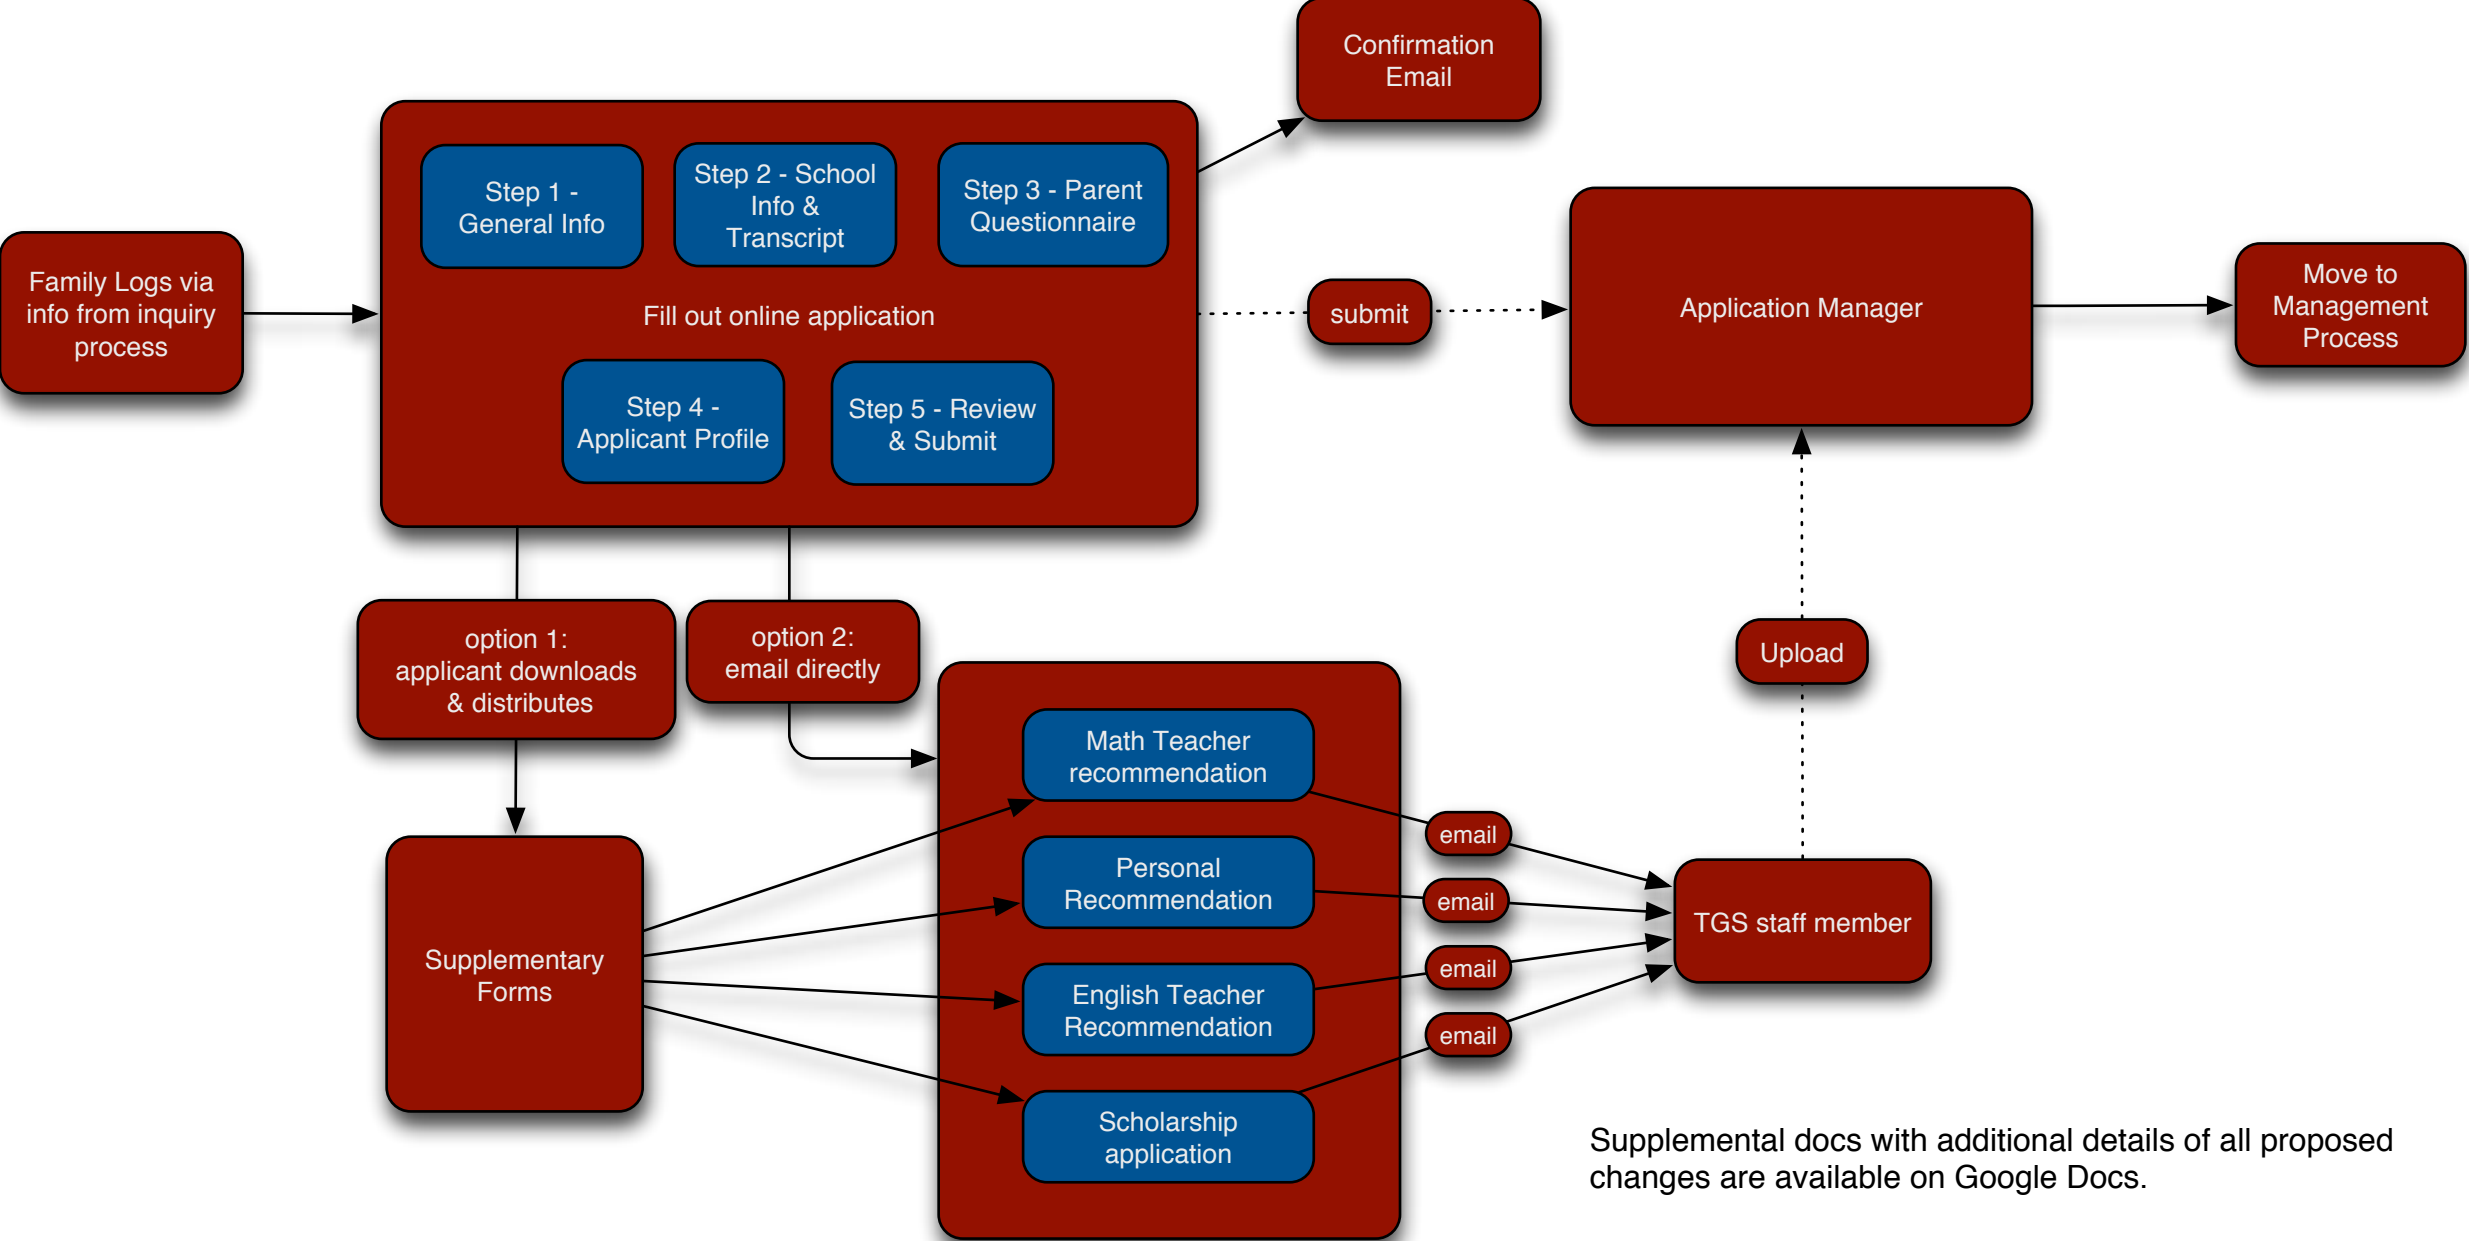

Proposed Inquiry Process (New)

This is a new process. The inquiry process will allow us to qualify applicants before they are able to apply.

We are removing the ability for applicants to apply without confirmation from the OSS.

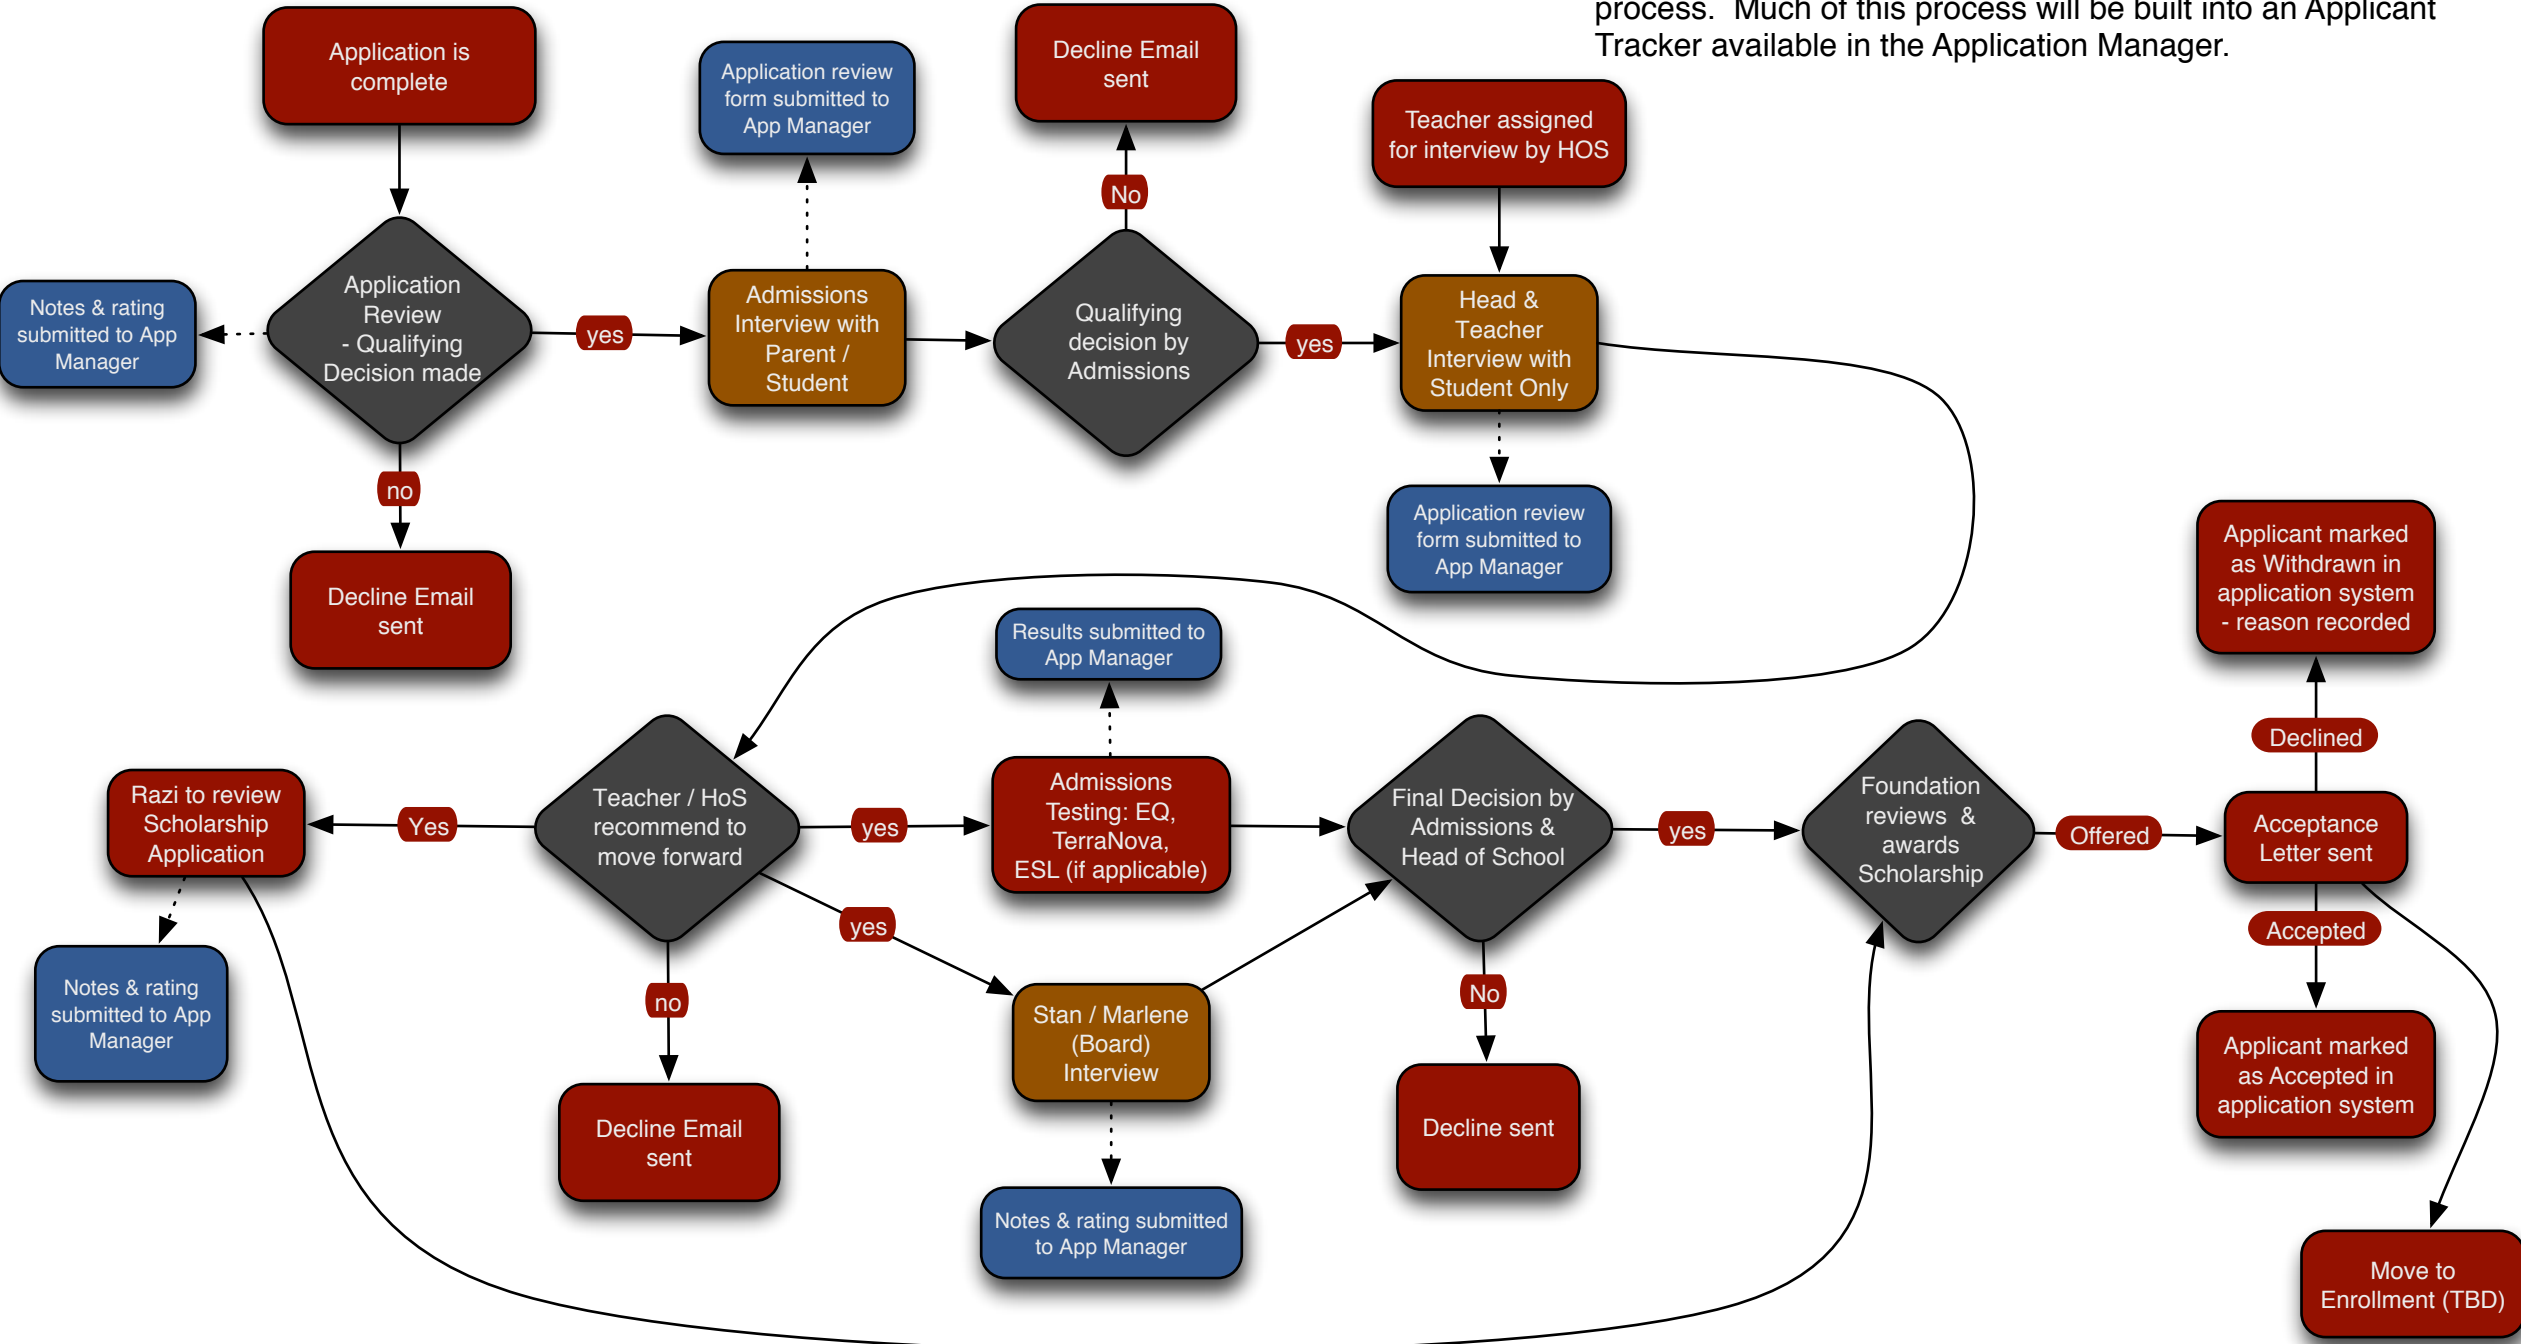

Proposed Application Process (Revised)

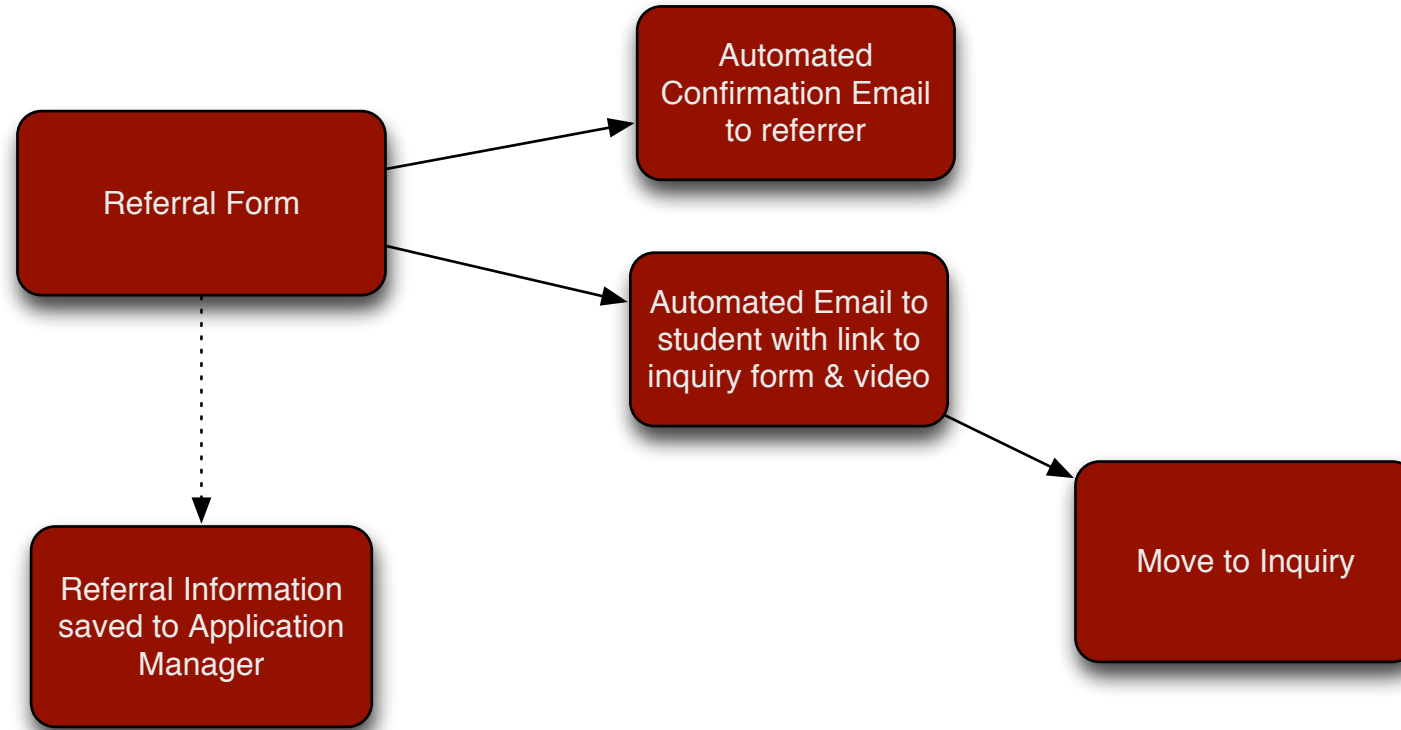

Proposed Application Interview / Decision Process (Revised)

This is an overview of the interview and decision making process. Much of this process will be built into an Applicant Tracker available in the Application Manager.

Proposed Referral Process (New)

The referral form is an online form available on the TGS Website that will allow any visitor to recommend or refer a potential student to us.
